

WSPMA ANNUAL CONFERENCE 2015 STANDHOLDERS' COMMENTS:

- Was nice being in the same space as talk at Avisford but it was good.
- Nice venue. Delegate's lunch came and went very quickly as did the main lunch. Some late arriving delegates miss lunch. Good area but as always very few delegates came to see us. I had to go and find people to talk to.
- Better access to delegates. More reminders would be good. Nice weather meant they were outside.
- Much prefer racecourse to Hilton, much airier and bright. Opportunity to access delegates as good as could be but delegates must be continually reminded to visit sponsors to protect future events. Not great food/refreshments for exhibitors
- Lunchtime appeared to slow. Sessions overrunning. Coffee area apart from the exhibitors. An expensive day for little interaction.
- Unfortunately due to nice weather lots of practice managers went outside. Event was difficult to find (went to back entrance first)
- Insufficient refreshments for the amount of exhibitors.

12 feedback forms. 8 said they would support an event again.
