

Membership Report 2015

The West Sussex Practice Managers Association include all practice managers and deputy practice managers in West Sussex as members of the Association.

Membership is free to all members currently. This membership enables all practice managers and their deputies to access the training events, annual conference and help, advice and mentoring that is available.

The association website, membership section, is updated quarterly with the information that is available from the Commissioning Support Unit with up to date practice and practice manager information and telephone numbers.
